 5 Free Hosting Platform For Machine Learning Applications - KDNuggets • www.kdnuggets.com

https://medium.com/@alisdair_/5-top-free-hosting-platforms-for-python-apps-2024-best-heroku-alternatives-c31c0a2837d1

 5 Top Free Hosting Platforms for Python Apps 2024 — Best Heroku Alternatives • medium.com

Let's practice it Using Render Platform 😊

1. Follow the steps in the link below:

<https://docs.render.com/deploy-fastapi>

Deploy a FastAPI App | Render Docs • docs.render.com

https://youtu.be/RKtl_L4ASQ4

2. **Check your API** : using one of the methods in “DS114- How to Request API?” , Make sure to replace the localhost url with the one you obtained from **Render website**
